**1. GETTING STARTED****1.1 ABOUT THE CASSIDA UNO**

The Cassida UNO uses powerful IR technology to authenticate infrared security features present on bills. Infrared marks are the most advanced security feature on currency. The special frequency infrared camera transmits the bill's infrared image to the large adjustable, built-in monitor, enabling instant verification.

**1.2 BOX CONTENTS**

- Cassida UNO advanced counterfeit detector
- AC power adapter
- User manual

## 1.3 VIEWS OF THE CASSIDA UNO

1. IR camera
2. LCD monitor
3. Power switch
4. Power outlet

Dimensions:	206 x 105 x 140 mm (11.65" x 4.1" x 5.5")
Counterfeit detection:	IR (infrared) detection
Monitor:	4" LCD

## 1.5 IMPORTANT SAFETY INSTRUCTIONS

- When using this unit, basic safety precautions should always be taken, including the following:
- Only use the AC/DC adapter provided with the unit. The use of other AC/DC adapters may result in electrical shock, fire or cause serious damage to the unit.
- Do not use this product in areas where it may be exposed to water or other liquids. Unplug this product from the wall outlet before cleaning. Do not use liquid or aerosol cleaners. Use a damp cloth for cleaning.
- To reduce the risk of electrical shock, do not disassemble this product.
- Take it to a qualified service center when service or repair work is required.
- Opening or removing covers may expose you to dangerous voltages or other risks. Incorrect reassembly can cause electrical shock when the appliance is subsequently used.
- Do not operate the unit in areas with high temperature or high humidity since it may prevent it from working correctly.
- Do not use the unit if the power cord is damaged or if the plug socket contact is loose. Failure to do so may result in electrical shock or fire.
- When not using the unit for a long period of time, remove the power plug from the wall outlet.

## 2. OPERATION

### 2.1 POWERING UP

Connect the AC/DC adapter to the Cassida UNO unit and plug the adapter plug into a power outlet. Turn the Cassida UNO on by toggling the --/o switch located on the rear of the unit to -- (see 1.3).

### 2.2 VIEWING BILLS

Place the bill on the inspection platform underneath the viewing head. Observe the bill through the monitor. The screen angle may be adjusted for more comfortable viewing by moving the viewing head forward or backward.

Verify the presence of normally visible IR marks (marks vary by currency and denomination. See Section 3 below)

## 4. MAINTENANCE AND WARRANTY

### 4.1 MAINTENANCE

Clean the monitor and the IR camera protection glass with a soft cloth. In case of malfunction, contact Cassida Technical Service at [www.cassida.me](http://www.cassida.me)

### 4.2 WARRANTY

Warranty is effective for a period of one year from the date of purchase. In most cases, the malfunction of the machine can be resolved by cleaning the unit.

- Customer should allow Cassida the time and opportunity to test and diagnose the machine to determine warranty and non-warranty claims.
- After receiving and unpacking the units, Customer shall keep the package and its user manual. Warranties are canceled in the event the device is transported in a non-original packaging or operation/maintenance conditions are not met.
- Company is not responsible for unit malfunction due to improper maintenance, storage and transportation including mechanical damage.
- Manufacturer is entitled to introduce updated software, not described in the current user manual.

#### Non-warranty service:

Cassida can perform maintenance and cleaning for an extra fee. For a non-warranty repair or maintenance quotation, contact Cassida Technical Support.

Warranty service is not available in the following cases:

- Cleaning of the unit from dust and mud
- Absence of a warranty card or an incorrectly filed warranty card
- Operation or maintenance requirements detailed in the user manual are not met
- There is mechanical damage to the unit or the seal portions of the unit have

been opened or tampered with

- There are foreign objects or liquid inside of the unit.

#### Shipping:

The warranty does not cover shipping cost to or from Cassida's Technical Service Center. Before shipping the unit to the Cassida's Technical Service Center the warranty card must be filled out with model full name and number, serial number, cause for service, errors occurred.

### 4.3 Contact information

#### Technical Support contact information:

e-mail: [fabin.johny@cassida.me](mailto:fabin.johny@cassida.me)  
tel: 042 739 328  
[www.cassida.me](http://www.cassida.me), [www.cassidausa.com](http://www.cassidausa.com)

When contacting Cassida Technical Support, please have the following:

- Product model – Located on the back side of your currency counter
- Serial number – Located on the back side of your currency counter
- Nature of the problem – What happens, and when did it happen? Did the machine display an error message?
- Steps already taken to resolve the problem, and the results.
